

## 2026 Rights-of-Way as Habitat Working Group Meeting Sponsorship

Thank you for your interest in supporting the 2026 upcoming Rights-of-Way as Habitat Working Group meeting (Working Group meeting). Sponsorship plays an important part in the success of events like this!

### What to Expect

The Working Group meeting will address important questions facing environmental concerns and conservation on energy and transportation infrastructure. The objectives of this meeting are:

1. Strengthening integrated vegetation management (IVM) and sustainability programs to improve adoption of IVM, increase conservation practices, and their outcomes.
2. Highlight lessons learned from NYPA's experience in integrating IVM with other company goals (operations, environmental, and sustainability).
3. Create opportunities for learning and integrating vegetation management, environmental, and sustainability program efforts.

### Why Sponsor?

Sponsoring the Working Group meeting offers several benefits:

- Demonstrated support for conservation and the Rights-of-Way as Habitat Working Group
- Increased visibility and brand awareness
- Enhanced networking opportunities
- Opportunities to share thought leadership and product innovation

### Target Audiences

- Vegetation managers
- Environmental managers
- Corporate sustainability managers
- Practitioners
- Researchers
- Federal and state agencies
