# SWMS CDFW Permit: Tag & Monitor in California

It took 18 months, but in late December, 2023, we received a permit from the California Department of Fish & Wildlife to engage in Community Science Research throughout the state. In 2024 we offered 3 in-person and 6 Zoom trainings with a qualifying exam and added 100 Community Scientists to tag on our permit and an additional 25 for monitoring, testing for OE and tagging.
